START REMOVAL OF POLES — Crews of the California Water and Telephone Company on Monday started removing the cables (on ground) from the telephone poles on Palm Canyon drive, preparatory to removing the poles. The project will be completed by October 15, according to William Nash, area manager. The poles were installed in 1927, and removal has been made possible by rerouting the lines in the rear of buildings.

WE'RE UNDER WAY!
You sow 'em on Monday
On Tuesday you water.
On Wednesday you peer.
Has it grown as it oughter?
On Friday you mow it.
It's quite high enough
On Saturday, Boy!
Does your poor back feel rough?

Of course, it doesn't really grow that fast — But with poetic license, plus a good grade of fertilizer, it does. And that part about the back — Having a vivid imagination and a sympathetic nature, I get a twinge in my back and feel stiff and sore all over just watching Lupe shove that lawn mower around.

THERE ARE AT LEAST five tourists who'll never believe that base camp that prices are high in Palm Springs. Touring down Palm Canyon drive last Sunday afternoon they saw the throngs dining at the Glass Kitchen and decided that with such popularity, it must be a good place for food and stopped. They ordered dinner, ate and then asked for the bill. When told there wasn't any, they drove away shaking their heads in disbelief. Nick Mustacio answered the telephone the other night. "We're having a party. . . . Come on over. . . . Bring some ice." He picked up a tray and started out. . . . After he had driven a few blocks he suddenly remembered. . . . He had forgotten to ask. . . . He didn't know who had called or the address of the caller.

THIS IS THE TIME of the year when diets are blasted to little pieces. . . . With all of the grand openings for the new season, how can anyone watch the waist line? . . . The grandest openings seem to be mouths. . . . A sailor driving along Palm Canyon drive with friends Sunday afternoon just didn't have

Drivers Get Instructions to Avoid City

Plans for 'Resort Route' Presented to Commissioner

The Motor Truck Association of California will cooperate to the fullest extent with Palm Springs and Coachella Valley officials in removing its member trucks from Highway 111 on through traffic.

Instructions to all members were sent out Wednesday by Association Manager Wade Sherrard of Los Angeles, according to word received by Supervisor Homer Varner.

Truckers belonging to the association will now travel Highway 99, but Sherrard warned that this will not eliminate all through truck traffic as some truckers are not members and the association has no way to control them, Varner said.

ACTION TO SECURE State designation of Highway 111 as a resort route and banning of all through truck traffic from using the route was discussed by Palm Springs city officials and James Guthrie, area representative on the State Highway Commission, at a meeting in San Bernardino Tuesday afternoon.

Guthrie told the group that there is no precedent for establishing such a resort route for cars only. He disclosed that further extension of the Highway 99 widening is included in the budget this next fiscal year, which should alleviate the situation.

Palm Springs Planning Director W. G. Roessler, Mayor Florian Boyd, Councilman Earle Strebe and City Manager R. W. Peterson attended the informal meeting. Roessler also is chairman of a Coachella Valley Advisory Committee five-man group named to ask state approval of the plan.

ROESSLER HAS REQUESTED a hearing before the entire Highway Commission at its November meeting. "There is no need for a precedent," Roessler commented. "It is common practice in the Eastern states, and should be started here to protect a resort area like ours."

His committee has also scheduled a meeting with Sherrard in Palm Springs October 19. Other members are: Clarence Washburn of Indio, Coachella Valley Advisory Committee president; Lee Odle of the Palm Desert Corporation; John Clark and Harry Williams of Palm Springs.

BESIDES THE NUMBER of resolutions adopted by civic groups and service clubs, previously announced, the city this week received a petition signed by 100 property owners in the Village supporting the removal of through truck traffic. Most of the signers are Palm Canyon drive residents.

Another petition is now being circulated throughout the city, with a number of signers already secured.

TO MEET OCTOBER 27
Next regularly scheduled meeting of city council has been set for Tuesday evening, October 27, starting at 8 p. m.

Courtesy Week Program Completed by Chamber

Courtesy Week in Palm Springs October 19 through 24 will feature the friendliness of all employers and employees, Chamber of Commerce Manager William Dunkerley said today in announcing final plans for the annual event.

Chamber directors at their meeting Thursday decided to abandon previously announced plans to hold a two-day business clinic in conjunction with the event, because most merchants would be too busy preparing for the Winter season to receive the full benefit.

The clinics are now scheduled to be held at regular meetings

of the merchant and hotel groups. Courtesy Week will now be the same as it was last year, when it was acclaimed by both Villagers and visitors.

Badges welcoming persons, and containing the name of the welcome, will be given all persons in the Village who meet the public.

Last year, many residents and visitors also requested badges—as they wanted to join in the friendly spirit of the event.

In charge of preparations are O. A. Torgerson, Adrian Rosen and Harry Paisley.

State Meeting of Hotel Men to Set Record

Reservations for Event Coming in Rapidly, Report

Palm Springs will play host to the largest contingent of hotel and resort operators ever to gather in the state when the forty-second annual convention of the California State Hotel Association opens here November 1 for four days.

Reservations for the convention are pouring in at an unprecedented rate, the convention committee of the association was told at a meeting in El Mirador hotel, where general business sessions of the conclave will be held.

EARL COFFMAN, co-owner of the Desert Inn, is the general convention chairman, while the vice chairman are Rudi Sidler of the El Mirador and Dewey Metzendorf of The Oasis. Eddie Davidson of the Rossmore is the housing chairman.

"Have fun in the sun"—in other words, entertainment, will be heavily featured at the convention, the committee decided. It was pointed out that it is the hotel men who direct their guests to places of interest and entertainment and their reaction to Palm Springs can well mean expanded tourist travel to the Village.

MEETING with the committee was William C. Robinson, of Los Angeles, managing director of the association, who said that all details of the program have been virtually completed. He said that Summer improvements made at El Mirador have equipped the headquarters to handle convention sessions adequately.

Davidson told the convention committee that reservations have come in from all of the 11 western states and from Honolulu. Visitors from other states will be convention guests although they are not association members.

AMONG THE TOP speakers at the convention will be Albert Pick Jr., of Chicago, head of the Pick Hotel chain, who is the incoming president of the American Hotel Association; Herbert J. Lyall, Jr., of New York, director of sales for American Airlines; and George B. Hanson, general passenger agent for the Southern Pacific. The latter will tell of what the railroad is doing to bring business to resorts and hotels.

Opening day of the convention will be devoted entirely to sessions of the resort committee headed by Lynn S. Gillman of the Alisal Guest Ranch, Solvang, as chairman, and Don Burger of the Ojai Valley Inn, vice chairman.

ON NOVEMBER 2 the general business sessions of the association will get under way with Karl C. Weber of the Whitcomb Hotel, San Francisco, president of the association, presiding. Mayor Florian Boyd will welcome the delegates.

An operations clinic for hotels will be conducted November 3 with Willard Abel of the Sir Francis Drake, San Francisco, as the moderator, and Fred Travis of the Gaylord, Los Angeles, and Dwight Hart of the

DOESN'T KNOW WHY HE STOLE BOOKS

"I don't know why I did it!" That was the excuse given today by a Villager who was charged by police with taking 52 books from Woodward Murray Memorial Library without checking them out.

And Police Chief John S. Davis reported that this is the first time in his 20 years of police work that he has heard this excuse.

Appearing before Judge Eugene Theriault in justice court Tuesday, the man was fined \$100, with \$65 suspended provided he not break the law for six months.

COUNCIL ORDERS STUDY OF PUBLIC OWNERSHIP OF PHONE SYSTEM HERE

Entry of the City of Palm Springs into the public utility field through acquisition of local telephone company facilities was discussed by city council Tuesday evening, and a study directed.

Mayor Florian Boyd instructed the council finance committee, composed of Frank Miller, Earle Strebe and Jerry Sanborn, together with City Attorney Jerry Bunker, to study the legal and financial problems involved, and to report at the next meeting.

ACTUAL TAKING OVER of local operation of California Water and Telephone Company facilities is not contemplated at this time, it was pointed out, but the study was requested to stress the need for additional facilities here and determine legal and cost problems involved in acquisition.

The proposal was first made by David W. Dunsworth, Saturday road, who asked that the city intervene in bringing the Public Utilities Commission back to the city for a public hearing on service. A similar hearing was held last year, with the commission reporting that service was adequate at most times.

As an alternate, Dunsworth proposed the city enter the public utilities field.

COUNCILMAN STREBE reported similar requests from Palm Springs property owners, received while he was on vacation in the State of Washington.

TAMARISK PARK CHOSEN AS NEW NAME FOR PARK

Tamarisk Park! That's the new name of North End Park as officially adopted by council Tuesday evening.

All councilmen were in agreement on the name, which has been an object of discussion since the park was started several years ago.

COUNCILWOMAN RUTH HARDY, who was instrumental in development of the park, reported that construction of the shelter house is nearing completion, and installation of playground and picnic equipment will be made later this month.

With the park nearing completion, it should be named as soon as possible, she said, and added that Tamarisk Park was the name selected by council.

This name will also provide easier locating of the park by tourists, she said, as it is located on Tamarisk road.

SIGNS WILL BE PLACED on Palm Canyon drive and Indian avenue pointing out the park location, and a sign will also be placed in DeMuth Park in the near future requesting visitors to use the picnic facilities at Tamarisk Park.

Adapting an idea used in Hawaii, Tamarisk Park will also have a welcoming sign for visitors. "This is Tamarisk Park. Have Fun."

Study Plans for Indian Avenue

City of Palm Springs this week started investigation of completing installation of parking meters on the east side of Indian avenue, from Alejo road south to Baristo road.

This program was scheduled at the time the meters were placed on the west side of the street, but was not completed because of improvement and widening work in progress at the time.

SIGNS WILL BE PLACED on Palm Canyon drive and Indian avenue pointing out the park location, and a sign will also be placed in DeMuth Park in the near future requesting visitors to use the picnic facilities at Tamarisk Park.

Acquisition of Land for City Links Studied

Council to Meet with Indian Agent on Purchase Plan

A study into the possibility of immediate acquisition of Indian-owned land for future use as a municipal golf course was voted by council Tuesday evening.

The group will act as a committee-of-the-whole in its survey. First meeting is to be with Henry Harris, assistant area director, Bureau of Indian Affairs, as soon as possible.

COUNCILWOMAN Ruth Hardy proposed the immediate action, saying that "we would be derelict in our duty as councilmen if we didn't acquire a site before all Indian-owned land suitable for a golf course is sold."

Pointing out the constant pressure of the Hotel and Apartment House Association for reserving a site, Mrs. Hardy termed a municipal golf course as one of the "great needs of a resort city."

ALONG WITH the land survey will be a study of costs of construction and maintenance of the course, which will be ready to present in case of a bond election.

Councilman Earle Strebe told the group that land acquisition is the immediate problem, with actual development a matter for the future. This would provide quicker action on the land purchase, he said.

Only a few possible sites are available, it was pointed out, with the one most conveniently

DON'T GET IN A RUT — we are frequently warned. But residents of Palm Springs don't have to worry much about falling into that decadent tendency. We get a fresh start and assume an optimistic attitude once a year.

The characteristic Palm Springs phenomena occurs every Fall.

The ordinarily offensive odor of fertilizer is an intoxicating aroma in the nostrils of Villagers to whom it heralds the opening of a new "season." They know that soon a lush green velvet carpet will cover the parched land. Our people are not even bothered by hammers and saws, cement mixers or pneumatic drills — they know that these are healthy, prosperous noises to a community which will soon blossom like a rose.

The desire to improve or brighten up one's home or store or hotel is contagious. Paint flows like water. Workmen are booked for weeks ahead. Housewives are straining their husbands' bank accounts with new furniture, drapes and other home beautification ideas.

The seasons are reversed here — this is really Spring!

It's time to plant lawns and flowers that will beautify the city's homes and patios, parks and hotel grounds for the entire winter; everything from tiny seeds to huge trees. Green thumbs are sticking out all over the place. It's fun . . . it's refreshing . . . it's new.

Friendships are renewed like the flowers, to blossom again . . . handclaps and back-slapping that never occurs when people get into a rut. Even casual acquaintances bid each other a friendly greeting. And with it all the characteristic spirit of good will and optimism prevails. Village businessmen are incurable optimists. They always look forward to a "good season."

There's a logical reason for this typical attitude on the part of Palm Springs people. Most of them travel a good deal during the Summer. Some go regularly to beach or mountain Summer resorts; many take off in their automobiles for tours of eight thousand miles. Still others go by plane and ship to the four corners of the globe.

There's a logical reason for this typical attitude on the part life — no remedy as effective for getting out of a rut. It is a sure cure for that feeling of indispensability. It almost always engenders a greater appreciation for this fine community of Palm Springs. It enables one to see how other people work and live — helps businessmen who exchange ideas with others in their own craft or profession.

And so . . . a friendly greeting from The Desert Sun to all of our readers, advertisers and friends. We are as happy to see you back again as we know you are to be here. And we are just as sure as you are that . . .

It's going to be a wonderful Season!

TOMMY NOONAN'S BACK — One of the top attractions in the Chi Chi Starlite Room last season, Tommy Noonan returns for another appearance there starting Friday. He shares the spotlight with Sue Carson, lovely monologist, songstress and comedienne.

Starlite Room Presents Famed Stars

That crazy hooligan is back in the Village—Tommy Noonan, but with more fame packed on his back than Midas had in gold weight.

Noonan, who was the male lead in "Gentlemen Prefer Blondes" will share the spotlight with Sue Carson, lovely monologist, songstress and comedienne, well known on two continents, tomorrow night on the stage of the Starlite Room.

Noonan will be remembered here as the quick change character actor of last year, most notable for his impressions as a blase Englishman but more widely known as the chef who starts to bake a cake and in doing so becomes more than inebriated with the liquid contents of the cake which he indulges in as he explains the various steps of the recipe.

Noonan today is under contract to 20th Century Fox Film Corporation and slated for parts in the forthcoming pictures the "Pink Lady" with Marilyn Monroe and "The Egyptian" with Marlon Brando. Since his last appearance here he has played the Waldorf Astoria, Palmer House, Chicago; Mocambo, Los Angeles, Roxy in New York, and many other famous theaters and night clubs.

Sue Carson acclaimed one of the shining stars in the entertainment world, lovely to look at, makes her initial appearance in Palm Springs. She too has entertained in many famous spots both here and abroad. While in London she played two engagements simultaneously rushing between the theater and night club and changing costumes while en route between both places. Advance notices declare she is a "scream."

Two musical aggregations will share the stage at the Chi Chi Starlite Room. Bill Alexander's orchestra and Vic Masters' band.

"There will be continuous music throughout the evening," Lou Mawby, manager of the Chi Chi declared.

Palm House Lists Star Entertainment

Launching forth into the 1953-54 winter season, Vic Sudaha, owner, announced last night that the topmost attraction on the American and Continental stages will be booked at his popular Palm House.

Co-incident with this announcement Sudaha said that his first show of the current season will be crammed full of delightful and amusing talent.

Simone, billed as the Silver Goddess, will do interpretive dancing almost a la fresco but under darkened lights which will heighten the effects of her silver coating.

Dink Freeman, making his first appearance in Palm Springs is billed as the most laughed-at comedian on the stage today. He is better known as the "Prince of Comedy."

In addition to these two stellar attractions lovely Virginia Dew will give with her singing interpretations and act as the Mistress of Ceremonies.

Pat Barbara known throughout the desert resort area as the "dispenser of the sweetest music ever heard," will hold sway on the podium with his saxophone and "horice stick." "Furthermore," declared Sudaha, "the food this year will be better than ever and the enhancement of the gay ninety atmosphere at the Palm House will be more intensified."

Sudaha who never closes his Palm House winter or summer indicated that he has plenty of surprises for his patrons this year both in food and entertainment.

Clarkson Resigns from Police Force

James Clarkson has resigned as patrolman from the Palm Springs police force effective Saturday, to accept employment as a plant protection patrolman in Santa Monica, Police Chief John S. Davis announced today.

WESTERN NIGHT EACH WEEK AT DOLL HOUSE

"Swing that tootsie gal. And Boys park your shootin' irons at the door. Take off your boots or leave 'em on."

So shouted George Strebe, owner of the Doll House when he learned that Noel Boggs' Western combo have agreed to make Thursday night the night when they will play

Security Deposits Refunded by City

Refunds of sales tax security deposits due to businessmen being discontinued, were issued by city council Tuesday evening to:

R. W. Parks, Redwood Timber Springs Boys Club, \$10; Walter Home Company, \$100; Palm H. Wright, jewelry and gifts, \$50; Clifford Campbell, Cliff's Stables, \$15.

Kenneth Burkett, Kenny's Coffee Cup, was refunded \$200, due to his using a bond now instead of a cash deposit.

weekly at that famous night spot, starting tonight.

"So help me," declared Strebe, "by the off-side hoof of that pinto tied up there at my hitching post, I plan to encourage the Western atmosphere in Palm Springs."

George said that a hayrack wagon or a tallyho will be rolling down Palm Canyon drive Thursday evening to pick up "just anybody who cares to come to the Doll House for the Western styled fun. There'll be good grub, and I promise a lot of fun for everybody."

Boggs who plays the steel guitar, has starred on CBS and American Broadcasting System as well as on programs with Gene Autry, eight years with Spade Cooley and more recently with the Wakeley show.

"One last word," continued Strebe, "if you have no Western clothes just come as you are and we will furnish the Western hat for the night."

Carnation Corner

Apart from milk, of course, the dairy food we use most at our house is Carnation Cottage Cheese, made fresh every day. That pure, fresh flavor cannot be matched. Then, too, so many good main dishes can be based on Carnation Cottage Cheese. Filling, high-protein dishes that taste fine, and are economical as well.

Cottage Eggs

6 eggs
1/4 cup milk
1/2 teaspoon salt
1 tablespoon butter
1/2 cup Carnation Cottage Cheese
2 tablespoons chopped pimiento
2 tablespoons chopped green pepper

Beat eggs with milk and salt. Melt butter in heavy skillet; add eggs and cook over low heat until of desired thickness. Remove skillet from heat; stir in cottage cheese, pimiento, green pepper. Serve at once over crisp Chinese noodles.

Colorful, spicy pimiento comes from a large, mild-flavored Capsicum pepper of the Spanish pimiento type — so does paprika. Pimiento, incidentally, is the Spanish word for pepper. We usually use only a little pimiento at a time — so, if you have a frozen food compartment or a deep freezer, why not wrap and freeze your pimiento? Keeps very well, and you can chip off what you need without waste.

A TISKET, A TASKET, A SMALL & HANDY BASKET!

A small basket is useful for small brushes, polishes, dusters, cleansers, etc. Keeps everything "found" as you clean each room.

Molded Harvest Salad

(Makes 6-8 servings)
1 package (3 oz.) lemon or lime-flavored gelatin
1 cup boiling water
2 cups (1 pint) Carnation Cottage Cheese
2 tablespoons horseradish
1/4 teaspoon salt
1/4 cup lemon juice

Dissolve gelatin in boiling water. Chill until slightly thickened (about 15-20 minutes). Add remaining ingredients; spoon into 8" ring mold; chill until firm. Unmold on salad platter and fill center with apple slices, chopped celery, dates.

HINT FOR HUSBANDS

An old tobacco tin makes a fine holder for steel wool, protects fingers from cuts. Cut out bottom of tin, stuff with steel wool until it sticks out open bottom when lid is closed. Add more wool or wadded paper when needed and re-close lid.

With Carnation Cottage Cheese on hand — you'll never be without a good snack or the basis of a delicious main dish. Store it near the ice cube section of your refrigerator.

the will power... When he saw a nice sparkling pool behind the fence along the roadside, he called for a halt... Ran out and plunged in... Had a nice swim... With all of his clothes on... The pool owner refused to prosecute... The sailor had had a couple beers or something prior to the incident.

NATURE BOY, or a reasonable facsimile, is back on the desert... Six boys hiking in Tahquitz canyon Sunday ran across a man about 50, sunbathing in the canyon... In the nude... They told police but by that time the disciple of nature in the raw had gathered his apparel and disappeared... Police had another peculiar report this week... A man reported that it wasn't even safe to sleep in an auto these days... He said that about 1 a. m. Monday while taking a nap in his car, someone reached in and tried to pick his pocket... When he awakened, the would-be thief made his escape in a car he had parked nearby.

I HAVE LONG been a devotee of the big steam "hogs" which once pulled all of the trains but which are now bowing to the Diesels... Of course, the latter are much more economical but it didn't seem right to see them rolling along, tooting like an automobile truck... But leave it to the Friendly S. P... In this month's Southern Pacific Bulletin is an article which pleased me very much... The S. P. is putting chime whistles on its Diesels... There'll be three-tone whistles on branches and five-chime whistles on mainline freight and passenger locomotives... So that when you nestle down in your berth, while the familiar old huff and puff will be missing, you'll still enjoy the wail of the whistle in the night as you clackety-clack along.

To those people who are complaining that all of the lights in the palm trees on Palm Canyon drive are not blazing nightly... They will be on and after October 10... Mrs. Ruth Hardy, councilwoman and park committee head, who worked hard for those palms and lights, says so.

Lee Wenzlick Pictures Gay Munich Oktoberfest

Lee Wenzlick, who did the photography for Shadow Mountain Club, Thunderbird and Desert Air Park this past season, will be sailing for home on October 25 after a Summer spent in Germany.

With her camera and her dachshund Helena, Miss Wenzlick has been on a picture-taking tour. Among interesting events photographed by her was the Munich Oktoberfest.

For the Oktoberfest, which lasts two weeks, the seven big breweries each erect a huge tent. Miss Wenzlick writes, "The gay life in these beer tents and all around one can't be described. . . one has to live to see it." She said that for the two weeks they prepared two million mass (litre) beer, 16 whole roast oxen, 90,000 roast chickens, 500,000 pair of pork sausages, and 100,000 "I Love You" gingerbread.

She writes, "In the midst of it, I am with my cameras, making pictures of all these original doings. . . pictures of the beer wagons, the waitresses running up and down like mad, holding in each hand six foamy beer mugs. . . funny looking pretzel women selling pretzels, and the huge beer barrels with the very busy beer-drawers."

The Munich Oktoberfest is said to be the greatest national festival of Europe.

(Lee Wenzlick Photo)

OCTOBERFEST — The beer wagons, drawn by sturdy horses are a familiar sight on Munich streets during the Oktoberfest. The little dog is Lee Wenzlick's Helena, who is traveling around Germany with her mistress. Helena belonged to William Randolph Hearst.

Name McKinney as City Agent on Tribal Council

City Council Tuesday evening accepted the invitation of the Agua Caliente Tribal Council for a councilman to attend meetings when matters of interest to both are discussed, and named Ted McKinney as representative.

The city's governing body also invited the Tribal Council to send a representative to all city council meetings, as matters are frequently brought up by the audience which deal with mutual problems.

GOLF

located likely to be placed on the market in the near future.

ED DAVIDSON, representing the Hotel and Apartment House Association, which has campaigned for a municipal golf course for several years, told the group to face the problem "realistically."

"Give the people of Palm Springs a chance to decide whether or not they want a municipal golf course," he said. Approving the plan for immediate land reservation, he also asked for construction as soon as possible and predicted its approval by the voters at a bond election.

THE PROPOSAL to develop a municipal course received considerable study last year, and at that time action was postponed until later, with the reservation that land be acquired as soon as possible.

Chief opposition to the plan came from the Palm Springs Home Owners League, whose officials stated that present facilities were adequate.

They were in agreement though, that development might be needed in the future, and stated that they would not oppose the project when that time arrived.

Crippled Plane Landed Safely

A United States Air Force plane with one engine dead and with 28 jet pilots aboard and passengers made an emergency landing here at 1:16 a.m., Wednesday, while the Palm Springs fire department, police department and Wiefels ambulance stood by.

The emergency call came at 12:45 a.m., and all equipment was rushed to the scene. Airport lights remain on all night in case of such emergencies.

High School Happenings

By KENT WERGES

Monday, the individual pictures started to circulate. These pictures, which will go on the student body cards, will be sold throughout the week. This year's pictures differ from those of previous years. Formerly, the student received 12 small and 2 large pictures plus 2 frames. This year the student will receive 24 small pictures.

Starting this week, Palm Springs high school will be experimenting with a longer noon hour. Henry Greeley, principal, said that we would try 5 minutes of additional lunch period and 5 minutes less study period. This extra time was needed because of the large use of the cafeteria.

Well, this is football season, and when you think of foot-

ball, you also think of cheerleaders. This year the cheerleaders are getting new costumes. The cheer leaders — Pat Wohlgenuth, Nancy Parkinson, and Mickey McGraw will wear white corduroy outfits, princess style skirts lined with maroon, and maroon tights. Phil Carrasco is also going to be cheerleading this year.

There will be a rooter's bus going to the Palm Springs-Coachella game if 50 students purchase tickets. They were on sale at the office until Wednesday. We hope the demand will be great enough to warrant a bus to every game.

Tomorrow afternoon there will be a Pep-Assembly for the game that night. The first Pep-Assembly showed a great deal of enthusiasm and spirit.

Two Appointed to City Health Board

Ask Merchants to Aid in Study of Parking Lots

Retail Merchants Association of the Chamber of Commerce has been invited by the city council to name a committee to work with the Palm Springs city planning commission in developing a plan for additional off-street parking.

The city planning commission is currently studying the problem, and expects to complete a plan within six weeks. Public hearings will then be scheduled.

Council issued the invitation on receipt of a letter from the association, expressing its concern about the need for off-street parking.

County Assessor Wins Praise of State Officials

A high-ranking official of the state board of equalization said last week that County Assessor Frank Burchfield is doing a first-rate job of giving fair values to property being taxed in Riverside county.

The official, John Keith, chief of the division of assessment standards for the board of equalization, said:

"The assessor's job is a difficult one in these rapidly changing times, and the property tax levied on the Riverside county assessment roll is now quite substantial, amounting to approximately \$4,808,000."

Your assessor has been very courageous and has constantly endeavored to meet the changing conditions and give you and the people of the county a complete and equalized assessment roll that equitably distributes the cost of local government."

The statement was made in a letter to the county supervisors. The supervisors, at Keith's recommendation, unanimously voted to send Burchfield to the annual conference of the National Association of Assessing Officers, to be held in New Orleans in November.

Field Trip

Council to Take
Look at Village

City council will hold its first field trip Monday morning, checking several areas of the city as a group.

This plan was voted by the group last month to enable an on-the-spot check of all areas of the city, and give all members a chance to discuss problems while at the scene.

COUNCIL TO AID IN IMPROVEMENT PROGRAM FOR PALM CANYON DRIVE

City aid on securing road improvement on Palm Canyon drive, south of Ramon road, was promised residents of the area by City Manager R. W. Peterson and city council.

Leib Rosen and his wife, Rose, owners of El Coronado Hotel apartments, were spokesmen for the group present at last week's council meeting.

POINTING OUT the improvements needed on the roadway itself and road shoulders, they said that at the present time it appears to visitors as if the city ends at Ramon road traveling south.

"We like to see all the improvements accomplished on the north side, but would like to secure a few for the south side," they said.

Mayor Florian Boyd told of work now being done in an effort to improve the road, and of a conference with Highway Commissioner James Guthrie in which widening of Tahquitz

bridge and Highway 111 improvements were discussed.

A study is now being made by the state on the Tahquitz Bridge widening, Boyd said, and the report will be received by the State Highway Commission at its meeting October 22. Councilwoman Ruth Hardy and City Manager Peterson promised all aid possible by the city in improving the road shoulders, but said most of it would have to be done with

state equipment as it is a state right-of-way. Peterson said that the city would ask the state for action.

MAYOR BOYD commented that this is the first time he has heard of the "north and south side," and added "everyone should pull together."

All councilmen in answer to a question on representation of areas, said that they "felt that they do not represent only one district, but the entire city."

Page One-B Palm Springs, California, Thursday, October 8, 1953 Second Section

With Hildy Crawford

Mid-October is loaded with openings . . . and next week there are so many on the calendar that it will be as though . . . a giant stood on Palm Canyon drive . . . with one foot on Ramon road . . . and the other on Racquet Club road . . . and shouted "Open Sesame!"

El Mirador starts it with their open house for Villagers on Wednesday . . . and informal opening on Thursday . . . Thursday Thunderbird opens its dining-room . . . the Racquet Club opens . . . Hotel the Oasis . . . and Dave Lyons' Saddle and Sirolo . . . Friday night is the Tennis Club's informal opening and steak barbecue, with dancing under the stars . . . and Saturday night is the opening date for Shadow Mountain Club

The Chi Chi, of course, stayed open all summer . . . as did the Palm Springs Biltmore . . . and the Palm House . . . and with the recent openings of the Doll House, Howard Manor, Bali Bali, the Dunes, The Ranch, Sam Keeland's Tampico . . . and Town and Country and Tamarisk Country Club . . . a goodly number of the Village's favorite spots will be open for business . . . and every night more and more cars line Palm Canyon drive . . .

Additional information, just received, is that Desert Inn opens October 10 . . . Deep Well on November 1 . . . and La Paz sometime between the 15th and the first of November . . . and Del Tahquitz has been open most of the summer . . . Mrs. Charles E. Dant returned to her home at 210 El Camino Way on Friday . . . after a busy summer in Portland . . . The twins, Daphne and Dianne Kerr, are with their grandmother and enrolled at Palm Valley school . . . Also here for the winter are Mrs. Dant's daughter Mrs. Dorothy McNary and son Wilson . . .

Cinemites
Nora Flynn Haymes and her mother Mrs. Becky Johnson, and Gwen O'Connor are at the Howard Manor until the 10th . . . Ava Gardner was shopping at Bullock's on Monday. She and Frankie were at The Dunes the night before . . . and are probably in Las Vegas now as Sinatra opened at the Sands last night . . . Lily Pons, who is staying at the Bernard Ford home was featured on the radio program "This Is Your Life" . . . and her big surprise was having her mother and sisters . . . and her first music teacher from Paris there to greet her . . . Her mother and sister are here as her houseguests now . . . Harry S. Ward (managing director of Hotel del Coronado) dining with Marj Pohl . . . Chi Chi Monday night . . . Doll House Tuesday night . . . John and Connie Dekker are home from Colorado . . . where they spent the summer . . . and have invited friends and patrons in for an open house this afternoon . . . from 1 to 4 p. m.

Baseball Fans
With baseball the headline news . . . and absorbing interest of most Villagers . . . the Florio Boyd home on Via Lola has drawn a good crowd all week . . . as friends and neighbors drop in . . . to watch the games on television . . . The Stephen Burkes, who only arrived here in mid-September, were called back to Yakima the first of the week . . . by the news that the wife of the manager of their hotel (The Donnelly) is in a coma and not expected to live . . . The Burkes who had planned to spend the entire winter at their lovely home on Chino drive . . . won't be back until the first of the year . . .

Vahan and Mary Lou Alechian and their cute little four-year-old Sherry arrived back in the Village Sunday night from Carmel . . . where they have another jewelry shop . . . Mary Lou says it was quite foggy there this summer . . . and the desert sunshine is a happy change . . . Sherry had a birthday Sunday but she won't find it out until the family gets settled down . . . and a birthday party is fun anytime . . .

Desert Refugees
Herbert and Gayle Burns returned this past week end . . . after a happy vacation-time . . . fishing along the Klamath River for salmon and steelhead . . . They had a glassy boat which they named "Desert Refugee" . . . and when other boats passed them on the river . . . they called out . . . "How's Palm Springs?"

Beverly and Sam Taylor left yesterday by Southern Pacific . . . for a visit with friends in Seattle . . . and to see the USC-Washington game . . . They'll be back Tuesday . . . Franklin and Lillian MacCarthy, who have been here for a few days to open their house . . . take off soon for a month's trip . . . They will go to Los Angeles for a week or 10 days . . . and then, by train and plane, to an undisclosed destination . . . I'm not sure they know yet themselves . . . but Lillian said that when they announced a trip it always falls to materialize . . . and this time she wants to go . . .

Psychic Horse
Dick and Mary Atterbury of 225 West Vista Chico, had an interesting summer in the East . . . when they made an historical journey that took them to Illinois . . . and then to Washington, D. C. . . They visited Lee's mansion and Mt. Vernon . . . Fredericksburg and Richmond . . . At Richmond they saw Lady Wonder, the psychic horse, who answers questions . . . by pushing letters with her nose . . . Helen M. Stevick (she's publisher of the Champaign newspaper) asked the horse when she was going to Rome . . . The horse answered "October" . . . and although Mrs. Stevick has actually planned to go in November . . . her tickets came through for October and she left this week . . . The really amazing thing was . . . that when asked who Mrs. Stevick served poolside.

Tennis Club Opens Doors October 16

The Tennis Club is rapidly coming to life and looking forward to its informal opening on October 16, when the terrace, lower bar and snack bar will be opened, Sam Taylor said this week.

Members are arranging parties for that night when a steak barbecue dinner will be followed by dancing under the stars. The cocktail bar will open at 4:30 and guests are expected to arrive for the barbecue around 7 p. m.

Lee Bering, who is back at the Club this season, is looking forward to seeing old friends among the members at the party, and said that everything possible will be done to give the Club a gay program of activities.

During October dinners will be served nightly (except Mondays) in the poolside cocktail lounge, from 6:30 to 10 p. m. While a limited menu will be provided, it will be of the finest foods, prepared and served in the Tennis Club manner.

Announcements just went out in the mail this week, but reservations are already pouring in. Judge and Mrs. James Garibaldi will be there; the William Malouf will host their usual big opening night party . . . the George Wheelers have reservations, and the Morris Smiths.

Mystery surrounds the exciting new decor planned for the beautiful Bougainville Room, which with the Lanai Room will not be opened until the formal opening on November 20.

The Tennis Club starts the 1953-54 season with Lee Bering and John Taylor as co-managers and Joan McManus as social director.

No Hits, Long Run, One Error

Mrs. Altha Wilson and her son William and his wife have returned home after a summer trip through the East, and visited another son John and his wife and new baby at Kingston, North Carolina. Mrs. Wilson drove her new Pontiac 8150 miles without a scratch or a dent only to have someone run into her car while it was parked at Newport.

Daughter Born to the Taylors

A baby daughter, Susan Kristine, weighing eight pounds two ounces, was born September 27 at the Monte Sano hospital in Los Angeles to Lt. and Mrs. James P. Taylor.

Susan and her mother (the former Celeste K. French of Palm Springs) will make their home with the Taylor grandparents in Los Angeles until April when Lt. Taylor will return from duty in Iceland.

NEW SEASON—When Town and Country opened its attractive dining room Friday night for the new season, it was well-filled with Villagers and devotees of their popular smorgasbord. At this table, from left to right, are Austin McManus, Mrs. McManus, Miss Muriel Fulton and the George Samples. Standing talking to their guests, are Mrs. Verna Clark and Mrs. Oscar Gilbert.

Villagers Invited to El Mirador Opening . . .

Villagers this season will be the "owners" of a hotel . . . one of the most fabulous in the Golden West, the glamor spot of Palm Springs, which has spread the fame of the village all over the country . . . El Mirador hotel.

As the beautiful El Mirador, with its famed Tower of the Stars, its gardens of flowers and landscaped acres, opens for its first complete winter season the "key" to the multimillion dollar establishment will figuratively be handed over to Villagers and other residents of the Palm Springs resort area on Wednesday afternoon, October 14. Rudi Sidler, managing director announced this week. Doors will open wide at 1:30 p. m.

Although there will be no services, such as meals and rental of rooms, on October 14, Sidler said that the punch bowl will flow and there will be musical entertainment.

"Everything will be in order for the start of the new season and we are inviting the Villagers to come in and look us over . . . to inspect the new Kiva Club, the enlarged El Mirador Room and the changes that have been made in the pool area. This is an informal open house to welcome our friends as a new season starts," Sidler said.

AAUW Members at Conference

The South Regional conference of the California State Division of the American Association of University Women, held in Redlands on October 3, was attended by four members of the Palm Springs association. Laura Greeley, Dorothy Spröckle, Frances Bauer and Mildred Summit.

Mrs. Sintson in Washington, D.C.

Mrs. Nora Sintson of 767 Calle Rolph, is in Washington, D. C., visiting former Villagers Mrs. Laura Lyon and her son Father McGann, who is a Navy chaplain. Mrs. Sintson will be away three weeks.

Women's Circle Starts Season Next Tuesday

Preliminary to their first fall meeting, the Women's Circle of the Palm Springs Community Church will hold a potluck luncheon in the social hall at the church at 1 p. m., on Tuesday, October 13.

Mrs. Stanley Sarnecki, chairman of the luncheon, has asked that members from A-K bring desserts, and those from L-Z bring salads.

Mrs. Arthur Coffey, president, will preside over the afternoon session, which starts at 2:30 p. m., with Program Chairman Mrs. William Lux, presenting the speaker, Mrs. George Eboe Sr., with Mr. Ellis joining them for week-ends.

Mrs. Albert Stine of Schenectady and Westbury, Long Island, New York, and David V. S. Maxwell of Cathedral City, formerly of Schenectady, were married October 2, at 6 p. m., with Rev. Deran Yaylan officiating. The Maxwells are at home at 621 Glenn avenue, Cathedral City.

First of the many big social events planned for El Mirador will be the formal opening ball on the evening of November 14, Sidler announced.

Top name bands will be featured in El Mirador Room throughout the season and a program of seasonal festivities, in the grand manner, are on the hotel's calendar.

Ann Oliver Honored at Shower

Bridal pink was used in the decorations when Diane Cross gave a shower and buffet supper for Ann Oliver, who will be married to John Donald Armstrong. The party was given at the El Alameda home of Diane's grandmother, Mrs. Homer McKee, with whom she is visiting.

Pink carnations were massed with white chrysanthemums to center the table and candles, candies, cake and ice cream were all pink.

The guest list included: Susan Oliver, Lydia Boyd, Mary Pendery, Adele Woods, Marilyn Myers, Joni Marsh, Mrs. Norma Oliver, Mrs. Armstrong (the groom's mother, from Boston), Mrs. Philip Boyd, Mrs. James B. Oliver, Mrs. William Elliott, Mrs. Harold Hicks, Mrs. Bacon Clifton, Mrs. John Porter Clark, Mrs. Alex Hammond, Mrs. Lauritz Hansen, Mrs. Eber Kanaga, Mrs. Edward Woods, Mrs. William Mason, Mrs. Culver Nichols, Mrs. Horace Pendery, Mrs. R. W. Groschan.

Pachts Host Dinner for Houseguests

Honoring their houseguest, Mrs. August LaPlaca of New York, Mr. and Mrs. Leon Pachts of Calle Felicia, hosted a dinner party at the Chi Chi Monday night. Dinner guests included Mr. and Mrs. Emanuel Rothman and Mr. and Mrs. Mike Jekyll. Mr. LaPlaca will arrive by plane this week end.

SMC Opens New Season

Over four hundred Shadow Mountain Club members and guests are expected to attend the Club's informal opening on Saturday, October 17, when TV star Jack Bailey (of "Queen for a Day" fame) will emcee a star-studded floor show which will include Bill Shirley (singing star of "Call Me Madam") and Rima Rudina, billed as the "Bustle and Bow Sweetheart of the Violin."

Mrs. Ellis and Children Here For Visit

Mrs. Edward Ellis and two children, Matthew and Leslie, are here from Santa Anita Oaks for a visit with her parents Mr. and Mrs. George Eboe Sr., with Mr. Ellis joining them for week-ends.

David Maxwell Weds Mrs. Stine

Mrs. Albert Stine of Schenectady and Westbury, Long Island, New York, and David V. S. Maxwell of Cathedral City, formerly of Schenectady, were married October 2, at 6 p. m., with Rev. Deran Yaylan officiating. The Maxwells are at home at 621 Glenn avenue, Cathedral City.

Nina Anderton, Foundation president, has announced that there will be many costume prizes at the Ball. Another highlight of the three-day affair will be the fashion show to be staged by Waldo, famous dress designer of Beverly Hills.

Racquet Club Swings Into Its 20th Season

Thursday, October 15, is opening day at Charlie Farrell's Racquet Club. The Club immediately goes into full swing. First of the opening parties will take place Saturday night, October 17, with the formal gala official opening party set to take place later in the season.

The ever popular Sunday night buffet dinner dances start Sunday the 18th and will continue throughout the season. Owners Charles and Virginia Farrell will be on hand for opening doings. They move back into their Palm Springs home this weekend following the summer months spent in Beverly Hills.

Mr. Farrell, who is continuing as the co-star of TV and radio's "My Little Margie" will again this season commute into the studios as necessitated by his screen and radio work. However he anticipates spending the majority of his time at the Racquet Club.

Back at the helm of the Club as manager is popular Sherman Hull, who returns to the Club for his eighth season. Lawns are now in at the club and final touches are taking place prior to its twentieth season opening.

Much of the same staff again returns to the Racquet Club after summering about the United States.

Back behind the bar are popular Tex Gregg and Cy Hodges. Tex summered in Los Angeles working at the Scandia while Cy spent part of the summer at Del Mar Hotel and the rest relaxing.

Mrs. Vivian Peterson returns in charge of the club's shop after having summered as

assistant manager at the "Garden of the Gods Club" outside Colorado Springs.

David Gillam is already here from the Denver Country Club and will again take up his duties as tennis professional.

Marjorie Pohj who summered in Redlands while doing publicity for Arrowhead Springs Hotel, has already returned, to take up her work as public relations director.

George Robins, who spent much of the summer in Palm Springs continues as steward of the club, while Jean Papernow is back for her fifth season as housekeeper. Mrs. Papernow relaxed in Banning for the hot weather period. Frank Willis is maintenance superintendent.

Chef is James Rakston, formerly of the Riverside Hotel in Reno, Nevada, with Tony Rafors as his assistant.

Jim Phillips, who was formerly with the Town House in Los Angeles and at Cal-Neva at Lake Tahoe, as well as having spent two seasons at La Quinta will act as Mr. Hull's assistant this year.

Albert Centoz, who vacationed at fishing spots in mountains and beaches, will again be back as maitre d'.

Ralph Marden will return as night office manager after working at beautiful Gull Lake Country Club in Richland, Mich.

At the beginning of the season Eddie Bergman's orchestra, which played for last year's opening, will again be on hand for this year's opening parties. They were a hit with those attending last season's early activities.

Due back later in the season to remain throughout the year

will be the popular Teddy Noell orchestra which will return after a popular engagement at the Sands Hotel in Las Vegas. Early season plans, backed by the club's usual top staff indicates another popular and successful year at the Club.

Soroptimists Back Anti-Billboard Move

After hearing Councilwoman Ruth Hardy address their luncheon meeting Tuesday on "Highway Billboards," the Soroptimist Club of Palm Springs voted to write a letter to city council backing the anti-billboard program, which would eliminate billboards from the highway between Palm Springs and the turn-off at Highway 98. Launching an educational campaign agreed upon by city council to acquaint Villagers with the anti-billboard movement, Mrs. Hardy told Soroptimists, that there are 20 billboards between the turn-off and Palm Springs. "It cheapens us

... If we're going to be a high-powered resort we can't be a honky-tonk," she said, adding "We want our visitors to look at our mountains and desert instead of road signs."

Letters such as the one to be written by the Soroptimist Club will be used by city council when they meet with the County Supervisors and County Planning commission in Riverside on October 26, Mrs. Hardy said.

Long an advocate of city beautification, Mrs. Hardy is the council's representative on the park and recreation commission.

Dr. Calista Stefan presided at the luncheon which was held in the Blue Room at Chi Chi.

During the business session, the Chi Chi was designated as the meeting place for this season.

Conference Chairmen Named

Palm Springs will be the hostess club, assisted by the Banning, Beaumont and Coachella Valley Soroptimist Clubs, when District II of the Pacific Region of the American Federation of Soroptimist Clubs holds its fall conference at El Mirador hotel on October 31.

Madge Holderman, director of the Palm Springs Club, has announced the following chairmen for the conference:

Eileen Carey, minute summary; Connie Dekker, meal tickets; Polly Isenagie, information; Louise McCann, stationery procurement; Wynne Hammond, Lois Lux, song leading and accompaniment; Mildred Jackson, reception; Biddy Crawford, publicity; Luella Coffin, program assembly; Virginia Paul, auditorium; Lois Lux, decorations; Lucille Johnson, finance; Dr. Calista Stefan (Club president), hospitality; Esther Weingarten, dinner; Lois Lux, music; Wynne Hammond, entertainment.

The Coachella Valley Club will handle registration and the Banning and Beaumont clubs will collaborate on the luncheon arrangements.

Palm Desert Sunbeams

By EDITH EDDY WARD

Mr. and Mrs. Wilbur S. Bear have just returned from a four-month trip around the world and have re-opened their lovely Palm Desert home for the winter. They left on May 31 and boarded a Pan American Clipper for Honolulu which was their first stop. From there they flew across the Pacific to Japan. Mrs. Bear said that when they were walking along Ganga Street—the Fifth Avenue of Tokyo—they felt they were in a modern American city, but they found Hong Kong very different. In Manila they could see a few marks of destruction from the war. They said that Calcutta and New Delhi, India were interesting, but the highlight of their trip was Africa.

On that continent they took part in two safaris lasting three weeks and saw wild animals of all descriptions close at hand. It was a great thrill they said.

When the day came to leave for Cairo, Egypt, they felt their thrills were over, but when they boarded a Jet Comet, reached forty thousand feet up and flew eight miles a minute they decided that that was the climax of their African trip!

The remainder of their journey was through the Holy Land, Greece, Turkey, Italy, Switzerland, Germany, Denmark, Sweden, Scotland, England, France, Spain and the Islands of Bermuda. They said Nassau and Cuba are delightful, but on their next trip abroad the one place they want to go back to and spend some time is Africa with its beautiful scenery, clear cool air and "unfenced zoos."

Marilyn and Jim Harstad opened the Palm Desert Adobe with a "bang" last week and with the traditional "Friday Night" cocktail party. Organized by Verne and Lorraine Peck, the weekly party at the Adobe became quite an "institution" in Palm Desert and everyone was wondering whether it would be the same under new management. It was just the same except for the new host and hostess, whom everyone agreed couldn't have been more hospitable and gracious. They are a "fun couple" and have already made many friends among the residents of the area as well as their guests at the Adobe.

Down from Los Angeles for the occasion and celebrating their 33rd wedding anniversary were Mr. and Mrs. J. J. Brumark, who were the Harstads' very first guests to stay at the Adobe. Local guests at the party were the Ned Blades; Bill and Elaine McLaughlin; the Wellers; Charlie and Ruth Miliken; Mr. and Mrs. C. H. Bosworth; Ken and Lorena Eckert; Tom Brown and the Howard Jerry Malones; Mr. and Mrs. Laura Dickson and Mr. and Mrs. the Danny Callahans; Drexel Coopers; Jack and Alice Smith; and John and Eleanor Noyes from Desert Air. Shower Compliments Bride-to-be

A pink umbrella on the refreshment table symbolized the bridal shower given for Ann Storey Ellis Saturday night. The surprise shower, given by Joan Ewing and Dorothy Allen was at the home of Mr. and Mrs. Frank G. Ewing at 644 Paseo de Anza.

The lovely honoree will marry Allan George Bond on October 24, and the shower was one of a number of pre-wedding affairs honoring Miss Ellis.

The beautifully appointed table was all in pink and white, and the cake carried out those colors, with decorations of pink roses.

The bride-to-be received a wealth of gifts and the evening was spent in playing games with a wedding theme.

Guests were: Marsha Kane, Marilyn Strause, Joanne Jordan, Micky McGraw, Marilyn Mills, Carol Cameron, Barbara Newlin, Patty Newlin, Helen Portnoy, Carol Wrathall, Dixie Gardner, Valerie Hubbs, Nancy Parkinson, Frances Buol, Sally Hall, Melissa Hall, Barbara Brubaker, Connie Cornelius, Cocky Sanborn, Jill Chalfont, Frank Ewing and the mothers of the bride and groom: Mrs. C. Ronald Ellis and Mrs. George L. Bond.

Tribal Council Sets Meeting Schedule

Agua Caliente Tribal Council will return to its regular meeting schedule, starting Tuesday, October 13.

Meetings are held on the second Tuesdays of each month, starting at 1 p. m.

REGIONAL GOVERNOR — Miss Mary Ellen Pangle, of Riverside, Governor of Pacific Region of the American Federation of Soroptimist Clubs, will be the speaker at the fall conference of District II, to be held Saturday, October 31, at El Mirador hotel. The remainder of the day will be devoted to work shop sessions. Around 50 Soroptimists from Riverside, Imperial, San Bernardino, San Diego and Orange Counties, and from Arizona and New Mexico are expected to attend.

was invited but didn't get down from Los Angeles in time. After the cocktail party, practically all the guests wound up at Desert Air for dinner where the party started all over again!

Special Favorite of the Ladies!

When a Cadillac comes into the service of a family that has never owned one before, it is—quite naturally—a source of great pride and happiness to the entire family group.

But we have noticed, through the years, that the car is a very special favorite with the ladies. For, most assuredly, a Cadillac does some very wonderful and extraordinary things for a lady.

First of all, she looks her loveliest when she is seated behind its wheel. Every time she takes to the highway, she finds herself the focal point in a perfectly gorgeous picture.

And she feels just as wonderful as she looks.

The car's deep, luxurious cushions cradle her in magnificent comfort throughout the longest journey. The great responsiveness of the quiet, powerful engine gives her a marvelous sense of command. The car steers and brakes and drives with such miraculous ease that she actually rests and relaxes as she rides.

Of course, there are a great many other satisfactions which a lady finds in a new Cadillac car.

There is, for instance, her delight at seeing her family surrounded with every comfort and safeguard known to the science of motor car design. And there is the deep and rewarding sense of fulfillment which comes with ownership of such a prized and sought-after possession. Even parked in her driveway, the car is a tribute to her good taste and judgment... and a wonderful complement to the beauty and graciousness of her home.

To any gentleman reading this advertisement—we would like to make a suggestion:

Some day soon—when the sky is bright and the time is right—ask your lady if she wouldn't like to take a ride in a 1953 Cadillac.

We think we know what the answer will be—and we'll be happy to see you, indeed.

On The Trails

Horse World reporter, Reba Perry, sends me an orange blossom flash... which will be of interest to both our trail-goers and golfers. Margot Loos, daughter of Mrs. Margaret Loos of Altadena, and whose father was the great golf pro, the late Eddy Loos, is marching to the altar with Jimmy Williams. Jimmy is well known here in Palm Springs as well as all over Southern California as a top trainer of hunters, stock and hackamore horses. Margot has been riding hunters for the past seven years.

Humane interest story... Little Oma Lee Ross, who with her husband Jim, runs the Ranch Stables, may not be a dyed-in-the-wool cow-gal, but she is kind of a miracle-gal when it comes to nursing life back into seemingly dead horses. Early in June, Mrs. Mable Walker of the Desert Hot Springs animal welfare, called Oma Lee about three abandoned and desperately sick horses. Little Oma Lee, with the help of Tom Carter, rescued the poor animals and brought them to the Ranch Stables. A vet was called, and the horses were pronounced suffering from acute malnutrition. A sorrier sight in horsemanship was never seen. But Oma Lee, with patience, penicillin and sweet, nursed the horses all through the hot summer months. With Jim providing, she poured into them all the warm mash and necessary grains to restore them to health. Her kindness now is rewarded with three sleek fat horses, whose eyes follow her everywhere through her daily chores. The vet laughingly commented "If Oma Lee was caring for a horse, it would have to be dead two days before I would pronounce it so." That little gal just naturally loves animals.

We have two new bundles from Horse-Heaven in our midst. Shirlee and Jimmie Cooper's mare Casey had a little Palomino filly and Dottie Higgins Honey had a sassy little honey-colored colt. Both were sired by Joe Butler's quarterhorse "Topper." Friends have been submitting everything in names from "Topsy to Turvey" for the cute new arrivals.

School is Growing

Cathedral City school this week showed an enrollment of 175 as compared with 158 at the similar time last year. New additions to the faculty this year are: Mrs. Marguerite Micelli, teaching kindergarten, who taught last year in Orange county; Mrs. Gail Anderson, second grade, who taught last year at San Bernardino; Miss Mary Foster, teaching third grade and vocal music for the fourth, fifth and sixth grades. She taught last year at La Canada. Returning teachers are Mrs. Gladys O'Byrne, first grade; Mrs. Margie Richardson, fourth grade; Mrs. Lulu Thompson, fifth grade; Mr. Robert Irvine, sixth grade, and Mrs. Helen Emery, principal. Mrs.

Fernal McQuon, secretary and Mrs. Ruby Anderson, cafeteria. The faculty of the school has issued a home bulletin for parents giving valuable information as to school procedure for the care and safety of children. There is no supervision of the school grounds before 8 a. m., consequently it is unwise to send children before this time. Between 8 a. m. and 3:30 p. m. on school days it is requested that pre-school children be kept from the school grounds. All children who walk to school and must cross Broadway at Van Fleet street. This is the only intersection where a crossing guard is provided. He is on duty from 8-9 a. m., 12-1 and 2:30-3:30 p. m. As there is much traffic on the highway when

the guard is not on duty the child should be escorted. Aside from regular dismissal periods, children are not allowed to leave the grounds without special permission. When parents desire the child to return home other than by the usual method, the school should be informed. The school cafeteria serves a well balanced plate lunch with milk for 30 cents, milk may be purchased in the middle of the morning and at noon in 7 cent cartons.

Sanitary Rules Listed

The Cathedral Sanitation District board, Claude Cobb president, Robert Sherrill, Riley Egbert, Edward Biles and Mike Gordon, announced that regular pickups by the Desert Disposal Service show a large increase this season.

Considering the headaches experienced by every community up to the greatest metropolitan centers," says President Cobb, "our system here in Cathedral City seems to be functioning very well. The twice a week pickup takes care not only of garbage but also of cans, bottles, paper and other rubbish with the exception of tree trimmings and building materials."

Disposal of these latter items may be obtained on order or people can haul their own to the Cathedral dump where there is no charge for dumping. The dump is reached by going north on Date Palm drive to Ramon, east one mile on Ramon, then one mile north to dump site. As it is a violation of both state, county and district ordinances to dispose of garbage except through the disposal service, the board is contemplating a house-to-house canvass during the season to see that sanitary ordinances are being observed.

Enlarge Church School

The building adjoining Cathedral Community church and formerly occupied as a manse is being equipped for use as Sunday school class rooms. Rev. and Mrs. Graham Hunter who have moved to the new manse on "D" street have issued an appeal for tables and chairs for the use of the Sunday school. A piano is also required. Dr. Hunter hopefully said.

The first pot luck supper of the season will be held at the church next Wednesday evening at 6 o'clock. The public is cordially invited whether members of the congregation or not. After dinner there will be appropriate entertainment.

Woman's Club

The first meeting of the season of the Cathedral City Woman's club will be held October 21 at 2 p. m. at the Town Hall. Mrs. Alphamie Larsson, club president, urged all members to attend and greet friends and share summer experiences. This is the first year the club has

held a meeting in October. It was decided by the executive board and passed on by the club last Spring that one additional meeting day be added to the club schedule. In this way club matters that have accumulated through the Summer can be taken care of and an added stimulus be given for plans for the Winter. Membership chairman, Mildred Clark, announces that the Year Book has been delayed going to press until this issue of the paper has appeared so that any members who have not paid their dues and who would like their name to appear in the 1953-54 Year Book may contact her at any time tomorrow.

Cathedral City Briefs

Miss Elizabeth Pukas, former director health education and nurse of the Palm Springs Unified school district is taking graduate courses for a master's degree at Oregon State College, Corvallis, Oregon, this year. Along with her studies she is employed as part time instructor and assistant in public relations at the college.

Two Melvin Halls have returned from a seven week trip to Wisconsin and then through the deep South. They report that the heat and humidity in the east is worse than the desert Summer heat.

The Frank Brodbeck who

spent the Summer in Indiana, are glad to return to their Selma apartments.

Corrine and Margaret Davidson have opened their lodge, the Vista Del Valle for the season. Glendale was their headquarters for the Summer and from there they toured all of southern California showing the sights to a relative from Chicago.

Mr. and Mrs. Howard Headley have re-opened their Desert View cottages after spending the Summer in San Diego. Extensive remodeling was done to the cottages in the Spring and now the Headleys are at home in a completely new unit.

Mrs. Mabel Bryant has returned to her home after spending the Summer in Long Beach. This column goes to press too

early to include an account of the Chamber of Commerce directors meeting held Tuesday evening. Many seasonal plans were discussed and a full report will be given in this column next week.

Shriners Robert Sherrill and Al Laurie accompanied Robert Schmidt and R. H. Mhoon to the Shrine Coremonial at Las Vegas over the week end, where Messrs. Mhoon and Schmidt were inducted into Al Malaikah

TOUR DESERT AREA — Congressman Ivor Fenton of Pennsylvania and Congressman Hamar Budge, Idaho, who were here with a department of Interior party to look over the Coachella Valley water system.

Congressmen Rest Here on Southland Reclamation Trip

Two congressmen, members of the House of Representatives appropriation subcommittee on Interior Department funds, and three other House and reclamation bureau officials, spent the night in Palm Springs Monday after a day long tour of projects in the Coachella valley.

They inspected the canal system and laterals and the proposed \$200,000 Box Canyon bridge.

THE CONGRESSMEN were Hamar Budge, (R) Idaho and Ivor D. Fenton, (R) Pennsylvania, the latter chairman of the committee.

Budge said the purpose of the tour was to "try to save a little money every now and then." In this regard, he said the proposed Box Canyon bridge plan should be reviewed to make sure "the federal government isn't making an outright gift to the California highway system."

With Budge and Fenton here were Carson Culp, the subcommittee's executive secretary; Sydney D. Larson, director

division of budget and finance of the Interior department and Wade H. Taylor, of the bureau of reclamation. They spent the night at Vista del Sol.

DURING THEIR DAY-LONG tour of Coachella Valley they heard data on seepage, drainage problems and other items concerning the vast water distribution system.

Following their stay here, the congressional party left Tuesday morning for Yuma.

Normandy Village Inn Sold to North Hollywood Men

Sale of the Normandy Village Inn, 1550 North Indian avenue, this week was reported by Adolph Israel, local realtor. Israel represented both the Normandy Enterprises, sellers, and the purchasers.

New owners of the hostelry are Albert Holtzman and Harry Miller of North Hollywood. Israel refused to disclose the purchase price but it is believed to have been in excess of \$150,000.

Normandy Village Inn was built in 1947 for the motion picture colony by Leon Gordon and Norman Taurog, motion picture producers.

The new owners are experienced hotel and apartment house operators.

Press Freedom Belongs to All Says Publisher

Oliver B. Jaynes, editor and publisher of The Desert Sun was the speaker of the day when Kiwanis club members observed National Newspaper Week Tuesday at their weekly meeting at the Palm Springs Biltmore.

President Ray Lusby of the local club said that more than 3600 Kiwanis clubs throughout the nation and in other lands, joined in honoring the press at their meetings this week.

On the subject of "Freedom of the Press," Jaynes said that it is not a right conferred upon newspaper owners for their own benefit. It is a freedom conferred upon the people, he said, a fought for and won — and freedom for which the people retained by them as a corner stone for their democratic government.

Jaynes said that it is a primary function of newspapers to keep their readers informed and stimulate interest in government at all levels. He pointed out three safeguards of the people's "right to know": 1. Access to public records and a minimum of secrecy. 2. Open public meeting of all governmental bodies. 3. A desire on the part of more people to get the facts.

The speaker called the attention of the local Kiwanians to the "Public Information Program" which has been adopted by The Desert Sun and enlisted their support and interest.

Following a Summer of informal meetings the club resumed formal meetings last week.

Believe Rubbish Fire Started by Children

Fire Station No. 1 answered a call at 8:13 p. m., Sunday, for a rubbish fire in a vacant lot at 114 South Calle Encilla. No items of value were involved, it was reported.

Cause of the fire was not determined, but it is believed that the blaze might have been started by children.

Capacity Audience Hears Talk on Gems by Dr. Sheldon

Before a record turnout at the first of the Fall season meetings of the Shadow Mountain Gem and Mineral Society, Dr. John S. Sheldon, associate professor of geology, of Pomona college, with a degree from Yale, illustrated his very unusual lecture on volcanoes and igneous rock formations.

Introduced by the society's president, Byron S. Phillips, at whose personal invitation Dr. Sheldon came to Palm Desert to give this talk, the latter explained he had responded to the request as a personal favor to Phillips since he did not make a practice at this time of off campus talks.

HIS FLYING HOBBY, said Dr. Sheldon had led him to a large kodachrome collection of geological aerial views, some of which were published by Life magazine in their article on "The Face of the Land." He mentioned taking his five young children (ages 5 to 15) along on some of his trips in nearby areas.

Among the many startlingly beautiful pictures, some taken at night of volcanic craters and lava streams glowing brilliantly and red-hot molten lava bursts and flows, were some recent discoveries of ancient volcanic activity leaving ear marks on the face of the land. One series in particular depicted huge flows into the river-bed depth of the Grand Canyon, as various points down over the rim, and indicating the huge amount of molten rock spewed out from beneath the earth's crust in that area.

MANY OTHER SIGHTS were recorded from around the world, and from ancient to modern times. Then the relationship to certain types of rock formations to these heat and pressure forces were pointed out to indicate the source and origin of igneous rocks, in the area of which certain mineral and gem formations are born and grow through pressure and heat action.

Besides the pictures there were also some specimens of rock shown and identities described. Much valuable information was gleaned by the audience which indicated its interest and appreciation by many bursts of applause.

AT THE CLOSE of Dr. Sheldon's lecture, President Phillips presented a token of the group's appreciation and regard in the form of a Life Membership, as an honorary member. In his speech of thanks Dr. Sheldon remarked that this was his first

membership in a Gem and Mineral Society and he was highly pleased with his gift.

Notices of forthcoming activities included a report by Joseph S. Hughes, vice president, on the November 6 meeting. A field trip over Anza Trail next Sunday to leave at 8 a. m. from Mary Ann Warren's Shop, Palm Desert, was announced by former president Don Butterworth. The one-day trip will be under Henry Hiatt's direction.

Scout Rummage Sale Big Success

Vernon L. Baumgardner, scoutmaster for Kiwanis Troop 77, reported Monday that the Rummage Sale staged by the boys at the Lincoln-Mercury agency, 335 Sunny Dunes road Friday and Saturday was a great success and went far beyond the expectations of the troop.

"We want to thank everyone for the great aid given us," he said. "Special thanks goes to George and Ethel Strebe of the Doil House, who contributed many articles for the sale which brought great results," Baumgardner said.

"The entire Village helped and the boys of Troop 77 are very grateful."

Two Villagers at Monterey for Bar Convention

Two Villagers are at Monterey this week to attend the state bar association meeting.

Attorney Roy W. Colegate, former city attorney, will take part in a panel discussion on pre-trial sessions and Judge Hilton McCabe, of the new fourth department of the superior court, will attend a dinner meeting honoring State Supreme Court Judge Douglas Edmonds.

Judge McCabe, who took office last Friday and started court sessions at Indio Monday, was a former law clerk of Judge Edmonds. Each year the state supreme court justice takes a law school graduate as his secretary for 12 months. Judge McCabe was one of these. Tomorrow night, former law clerks of the state judge, now many of them judges themselves, will gather at a dinner party for him at the state bar session.

Attorney Colegate will speak at a session on pre-trial hearings over which Judge Clarence Kincaid will preside. Judge Kincaid inaugurated the pre-trial sessions when he was appointed to preside over the Indio branch of the county courts in 1952.

Desert Art Center

By MIRIAM WILLIAMSON
Norman Yeckley of Burbank, member of the Desert Art Center brought two paintings to the gallery last Sunday and was enthusiastic about the desert. He has charge of the art department for the city of Glendale and in past years has spent many week ends here sketching and painting.

He said that he had purchased an acre of ground between Garnet and Desert Hot Springs where the view of the surrounding mountains is fine, and intends to build a studio there, so that he may be able to spend more time on the desert.

Mr. Yeckley also made some good suggestions for furthering the cause of art in regard to activities for the coming season. These ideas will be further discussed at the coming meeting of the Artists Guild which meets the first Wednesday of each month.

Mrs. Hilda Bristow of El Monte, artist, teacher and president of Los Angeles, Los Angeles area, called at the gallery on Saturday. She is a new member of the D. A. C. and plans to spend as much time as possible doing landscapes in this vicinity this winter. Fritz Wertz of Medford, Oregon, visited the gallery on Monday.

He does interesting and amusing water color portraits of old times, animals and boats, having lived in Oregon for

Signs to Point Way to Chamber Up Next Week

Permanent signs pointing out the location of the Chamber of Commerce will be erected next week by the city engineer's office, Chamber Manager William Dunkerley reported today.

Signs have already been placed at the top of the service club signs at the north and south entrances to the city, and eight others will be placed within the city.

Chamber directors voted to install permanent signs, now that the Chamber has acquired a permanent location at the corner of Belardo and Amado roads.

It was emphasized by Dunkerley that the signs are not billboards in any way, as the Chamber directors have officially gone on record in favor of the current city program to eliminate billboards from Highway 111.

Goodwin Knight to Speak Before Realty Meeting

California's new Governor Goodwin J. Knight will be the keynote speaker at the 49th annual convention of the California Real Estate Association during the opening season on November 6, according to word received by George Gannon, president of the local real estate board from Floyd Lowe, Palo Alto, chairman of the convention program committee.

On the program, Knight accepted the invitation extended by Frank MacBride Jr., Sacramento, president of the association, and chose as his subject, "If I Were a California Realtor."

The popular new state leader is expected to give realtors timely and constructive advice on the outlook for the future of California and how he, in their position, would be an enthusiastic salesman in welcoming the Golden State's 400,000 newcomers each year, Lowe reported.

During the same meeting Dr. Theodore J. Kreps, professor of economics at Stanford University, will present to the assemblage a factual report under the title "Real Estate Makes California Tick," Lowe stated.

Completing the opening day's program will be the address of Frank MacBride, Jr., Sacramento, president of the association, and a talk by Don Thomas, managing director of the All-Year Club of Southern California, who has as his subject, "California Here I Come and Still Coming," Lowe added.

Many years, he finds many such worthwhile subjects. He and Mrs. Wertz hope to spend the season in Cathedral City.

Income Tax

Spot Check to Cover All County

Although not specifically mentioned, it is believed the Palm Springs area will be included when the internal revenue bureau switches its canvass to check delinquent income tax payers to Riverside county.

P. C. Risley, the county deputy revenue agent, said all of the county will be included in the survey. Two men are now making the survey for the internal revenue bureau in the county and they will remain for some time.

Risley listed Banning, Beaumont, Blythe, Corona, Hemet, Indio and Perris as communities to be checked but the rev-

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in any low-priced car

Chevrolet's Famous 1953 Powerglide!*

Much fleetier, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you entirely new operating economy in city driving and on long trips.

Far Livelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in seconds.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a

more efficient use of engine power, make it extremely thrifty.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth... for this transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Powerglide permits you to concentrate on driving, with hands on the steering wheel and eyes on the road.

Full Engine Braking-Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud, whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission—time-proved by hundreds of thousands of owners in over a billion miles of driving!

GLASS KITCHEN — Villagers and out-of-town notables jammed the Glass Kitchen during its pre-view opening Sunday afternoon. On the first day of business Tuesday the establishment sold every ounce of food. Pictured above during the pre-opening are left to right: Ben Schenker, owner; Mayor Florian Boyd, Jesus Diaz, Mexican immigration official; Jim Barnes, acting mayor of Calexico and Chief of Police John Davis, of Palm Springs.

Throng Attends Open House at Glass Kitchen

Scores of Villagers and visitors to the desert area gathered Sunday at the new Glass Kitchen, 1095 South Palm Canyon drive, for pre-opening inspection and to enjoy dinner "on the house."

Daniel P. Schenker, the owner, and his father, Ben Schenker, played host to hundreds Sunday afternoon and evening "until the food ran out." The response to their invitation to the Village was for greater than they anticipated but all were served.

Among those attending the "open house" were city officials, headed by Mayor Florian Boyd and Chief of Police John S. Davis and other civic leaders.

Following the Sunday open house, the Glass Kitchen opened Tuesday for regular business.

It will feature barbecued ribs and chicken in its big glass and stainless steel dining room which will seat more than 70 people. A self-service style of operation has been inaugurated.

DWI Charges Cost Him \$200

James Allen Stone, 45, 3913 Calle San Antonio, was fined \$200 by Judge Eugene Theriault in justice court Saturday when arraigned on a charge of driving while intoxicated.

Stone was arrested at 10:29 p. m., Friday, after Officer T. M. Aitken saw him leave the parking lot of a local night club and drive erratically on Palm Canyon drive, often swinging into the opposite lane of traffic.

Enrollment at Palm Valley School Increases Rapidly

Enrollment at Palm Valley School, private coeducational day school, has doubled over the original enrollment of last Fall when the school was first started, Director-Owner J. Blake Field announced this week.

The school started its 1952-53 classes Monday.

"Twenty-seven students are now in attendance, with eight to 10 more expected within the next two weeks according to advance enrollment, Field said.

THE PEAK ENROLLMENT this school year of approximately 50 students is expected around January 4, when classes resume after the Christmas vacation.

Students may continue to enroll throughout the school year, for a period of one month or more. When enrolling for a short period of time, they are placed in organized classes when practical, or private instruction is given according to study outlines which they have from their own schools.

The 27 students now enrolled, and those expected in the near future, have been entered in the school on a permanent basis, Field said.

Bad Check Brings Fine or Jail Sentence

Robert Eugene Meredith, 35, Los Angeles, arrested here on suspicion of passing a bad check, was arraigned Saturday on a petty theft charge in Palm Springs justice court and fined \$100 or given a 20-day jail sentence.

Judge Eugene Theriault suspended \$65 of the fine, provided he make restitution of the \$15 check. Meredith also was placed on probation for one year.

World Speed Record Set by New Jet at Salton Sea

The Navy officially had the fastest plane in the world today after Lt. Cmdr. James Verdin whipped a triangle-shaped F4D Skyray four times over a measured course on the Salton sea Sunday at a record-shattering average of 753.4 miles an hour.

The new mark is 16 miles an hour faster than an existing unofficial speed record of 737.3 mph set by a British jet in Africa last month.

VERDIN FLEW the Skyray an average of 11 mph faster than on his previous record-breaking attempt here a week ago Monday. He gunned the F4D, a new Navy interceptor-fighter built by Douglas Aircraft corporation back and forth four times over the three-kilometer speed course on the northeast shore of the desert sea and the record is the average of his speeds on these four runs.

His fastest actual time was 761.414 mph, which officials said was probably twenty or more mph slower than the speed of sound.

His slowest run was at 746.075 miles per hour.

VERDIN SWOOPED DOWN on the first pass at 3:27 p. m. and had ended the fourth pass at 3:34.

Earlier in the day, the record attempt was reported postponed because of high winds but, later, the winds died down and the plane made the flight in a 99-degree temperature. An attempt yesterday was postponed because of low temperatures.

The Air Force was reported reading an attempt to top the Navy's mark, planning to make a shot for the record in an F-100, called a Super Sabrejet.

VERDIN ACTUALLY pushed the Skyray 19 mph faster than the current official record of 727.6 set by British pilot N. Duke earlier this year. But he was aiming to go at least the required one per cent faster than the unofficial record of 737.7 in order to establish a clear title to the new speed mark.

A veteran of World War II and the Korean War, Verdin is stationed as test pilot at Patux-

Sunday Neighbors on KCMJ

Jack Benny shares the sweets of success with his new Sunday neighbor, Big Crosby. The two popular Palm Springs winter residents have just launched their top-ranking programs on a new CBS Radio season, with "Der Bingle" joining the network's all-star Sunday evening line-up. Bing's show is broadcast over KCMJ Sundays at 9 p. m., while Benny is heard over KCMJ at his regular 4 p. m. and 9:30 p. m. times.

THE NAVY CLAIMED that the Douglas Skyray is the first carrier plane to hold the official world's airplane speed record. The runs were made with the F4D's normal combat configuration.

The plane has a Westinghouse jet engine with afterburner. More powerful engines soon are to be installed. The Skyrays are in production at the El Segundo division of Douglas Aircraft.

Sunday's flight was the third time new world speed records have been set over the below-sea-level course on the Salton sea shore.

School Property Raided by Thief

Two thefts occurring on school property were reported to police Saturday by Paul G. Summers, business manager of the Palm Springs Unified School district.

They involved a loud speaker valued at \$25 taken from a room at Nellie Coffman school, and a trumpet owned by Dennis Hammond, 4100 Calle San Antonio, taken from where it was placed outside a classroom door. The trumpet was valued at \$90.

Col. Fisher Appointed Head of Chase School Scholastics

Mrs. C. Thurston Chase, Jr., director of Chase School, Thousand Palms, announces the appointment of Col. Thomas K. Fisher, AF Res., as head of scholastic studies. Col. Fisher, well-known to many Eastern-educated Californians, has had a long and distinguished career in the fields of secondary and elementary education. He is a graduate of St. Paul's School and Harvard University with an A. M. degree from Eaglebrook School, Deerfield, Massachusetts, and formerly at St. Paul's School, Concord, New Hampshire. Instrumental in establishing the remedial English Department at St. Paul's and in revamping the same at Eaglebrook, he was one of the small group who established the National Association of Remedial Teachers.

Col. Fisher began his educational career in the Army as instructor at the American Artillery School in Saumur, France during World War I, and resumed his activities in World War II by setting up an Instructor Training School at Scott Field, Illinois. Subsequently he served in the Air Force Central Technical Training Command, where he directed the Historical Section. Outside educational activities included membership in the Technical Committee, the Tests and Measurements Committee and the Committee on the relation between Elementary and Secondary Schools of the Educational Records Bureau of New York and Chairman of the English Committee of the Secondary Education Board. Throughout his career, Col. Fisher has taken a great interest in sports, particularly riflery, and for his work in instructing the Rifle Club, the National Rifle Association awarded him their badge of Special Merit.

Mrs. Fisher, who studied for a PhD at Yale, Oxford University and the University of Vienna, specializing in normal child psychology, will assist Mrs. Chase in special testing and will be hostess of the ranch. Col. and Mrs. Fisher arrived this week and are in residence at the Old Bell Ranch.

SCHOLASTIC HEAD — When the Chase School at Thousand Palms opens the middle of this month, Col. Thomas K. Fisher, will be the head of scholastic studies. He comes here from Massachusetts, where he was dean and head of the English department at Eaglebrook School.

Study Rules for Rides in Canyons

Operation of organized horseback riding in the Indian canyon areas is under study at the present time by the Agua Caliente Tribal Council.

Leaders of all organized riding groups are invited to contact the Indian office to discuss methods of control and operation, that will offer the riders the most convenience and still provide administrative requirements demanded by the local office.

Warner Moon New President of Toastmasters

Warner Moon was elected president of Toastmasters club meeting at the Herbert Mennell home last Thursday evening. Marvin Matthias was elected vice-president, Clarence Brechlin, secretary and treasurer and Jack Keefe, sergeant at arms.

The officers will be installed October 22 at a Ladies Night dinner.

The club will meet tonight at the Mennell home in a dinner session.

Highlight of last Thursday night's meeting was a report by Warner Moon on the International convention held in Denver last month. He gave lists of names and businesses in the higher brackets which were using and recommending Toastmasters' clubs and training in their respective activities, and with the corresponding information that new clubs are now forming at the rate of more than three hundred each year.

Morrie Finerman gave a talk on "I've lost my right arm," and Clinton Mitchell on the "Back to God" movement of the American Legion; both receiving round table evaluation and suggestions on their talks. Finerman announced that he is now the proud possessor of a drugstore in Brentwood (near Santa Monica) and will necessarily transfer his membership to a club in that area. The members were unanimous in expressing their regret at losing him, but wishing him all success in his new location.

Club President Charley Magadini announced a schedule for tonight's meeting, including Jack Keefe as toastmaster, to handle a speaking panel of Eric Walker, Sam Barnes, Russell Landres, Clinton Mitchell and Paul Traver. Ed Hawkins was assigned the direction of 'Table Topics' discussion.

Fall Weekends Most Dangerous is State Report

To enjoy the best chance of survival, California Highway Patrol statistics indicate, motorists should plan to do the bulk of their driving on Thursdays in January and stay close to home over the weekends in October.

Results of a survey conducted by the Patrol over the past three years indicate not only that more fatal accidents occur on Saturdays and Sundays than other days, but also that these accidents reach their seasonal peak in October.

October averages of 10 deaths in 8.8 fatal accidents each Saturday and 10.2 fatal accidents with 12 killed every Sunday represent yearly high totals. Failure to adjust to more hours of darkness and the fact that bad weather catches many motorists with their automobiles still in fair weather condition are included in the reasons advanced by the Patrol for this annual fall increase in fatalities.

Safest time of the year to edge the family automobile into a lane of traffic, according to the same survey, is any Thursday in January. An average of 2.2 fatal accidents with 2.6 fatalities occurred on these days. "If every driver would allow for increased hazards of darkness and have his car safety-checked before the bad weather, we could change this annual trend," patrol officials said.

New Reduced Auto Liability Insurance Rates in Effect

New and mostly reduced automobile liability insurance rates went into effect in Riverside county Tuesday and local insurance men outlined the changes.

The new rates, effective Tuesday, will apply to 'bureau companies' which include about 90 per cent of the automobile insurance companies in the United States.

Insurance customers have been divided into seven classes instead of three, to allow rate reductions to classes of people who have proven to be the best risks.

FINDS PAINTER'S TOOLS

Finding of a canvas bag containing painter's tools on the sidewalk at 370 North Palm Canyon drive, was reported to police Monday afternoon by Frank Thomas of Los Angeles.

Former class 1, including policies written on cars not used for business and not driven by anyone under 25, has been reduced to 15 per cent reduction; and 1C, car used to and from work more than 10 miles each way—no change in rate.

Former class 2, cars driven by persons under 25, have also been divided: 2A, persons under 25 who are not the owner or principal operator of the car—20 per cent less, (same reduction applies to married persons under 25 who have one or more children); 2B, under 25, married, with no children—10 per cent less; 2C, under 25, owners or principal operators, not married—8½ per cent increase.

Former class 3, persons whose cars are used in business, will receive an 18 per cent reduction

been divided three ways: 1A includes family cars not used in going to and from work—30 per cent reduction; 1B, same used to and from work, but not more

in most areas.

Another rate change applies to farmers, who will henceforth receive 20 per cent reduction instead of 15 per cent.

Plan New Lake Near Idyllwild

County supervisors Monday applied to the State Department of Water Resources for water to build a one-and-a-half acre lake at the Idyllwild County Park.

They said they will make the lake by blocking off Lilly Creek with an earth dam that will be 23 feet high and 170 feet long. They asked the state for permission to take 10 acre-feet of water a year to fill the lake.

The lake, they said, is for "fishing, boating, and scenic purposes."

WOMAN INJURED IN FALL FROM CAR

Juanita McKee suffered minor injuries when she fell out of a moving car being driven by her husband, Timothy McKee, Banning, on Highway 111 at 7:10 p. m. Saturday.

The accident was caused by a defective latch on the car door, police reported.

Mrs. McKee was taken by ambulance to Desert Hospital for emergency treatment.

Jayvee to Open Season Tonight at Coachella Hi

Coaches Bill Manger and Dick White this week announced the starting line-up for the Palm Springs Jayvee season opener tonight at Coachella.

The list including only one player who has had previous grid experience.

Kick-off time is 7:30 p. m.

Fullback Ronald Thompson is the lone veteran, with other players reporting for the first time this season. This experience will give Indian Jayvees the underdog rating in the game.

Other starters besides Thompson are: O. B. Crawford and Charles Jordan, ends; Biff Andreas and John Cunningham, tackles; Dale Johnson and Max Dunham, guards; Les Whidden, center; Dennis Rowe, quarterback; Jim Thompson, right half, and im Thompson, right half.

Lewis Terry will alternate with Estrada at the left half position.

The starting line-up will see action on both offense and defense because of the small squad, the coaches said.

Next regularly scheduled game is October 22, with Coachella playing here.

Gerry Priddy to Manage Seattle Suds Next Year

When Seattle's Rainiers come here next Spring for their annual training season, they will be under the guidance of Gerry Priddy, 33, veteran American League infielder.

Emil Sick, president of the Rainiers announced Monday that Priddy had been signed for the 1954 season.

Priddy, who wound up his major league career this season with the Detroit Tigers, will serve as a playing manager. The former Yankee, Senator and Brownie is capable of playing every position in the infield.

Indians, Arabs, to Open Season Tomorrow Night

"We're better than we showed at Brea-Olinda, and hope to prove it Friday night at Coachella," Coach Clare Ballagh said today in commenting on his grid team's 20 to 0 loss last Friday afternoon.

He forecast a close game with last year's conference champions, but added that "we can beat them."

Coachella is rated among the conference powerhouses again this season, with most of the championship line returning, along with a couple of experienced backs.

PRACTICE THIS WEEK will deal with experiments to get additional speed in the line on offense.

The Indians weren't too impressive at Brea-Olinda, with their offense stopped almost completely. They had only one serious scoring threat, reaching the Wildcats one-yard line, but this was nullified by a holding penalty.

"WE DIDN'T PLAY up to our capabilities, along with several players being bothered by colds," Coach Ballagh said. "But don't take anything away from Brea-Olinda though," he added, "as they have an experienced team and did almost everything right."

The Indians stopped two scoring threats of Brea-Olinda, thereby averting a rout. Once they intercepted a pass on the goal line, and another time recovered a fumble near scoring territory.

Coach Ballagh picked out Gary Driskell and Bob Clinton as the outstanding Palm Springs players.

Tomorrow's game opens the Riverside County League season.

APPROVE DANCE PERMIT

Dance permit for Royal Palms Hotel was approved by city council Tuesday night.

I RISE TO REMARK

By CONGRESSMAN JOHN PHILLIPS

There is no country quite like Switzerland. When we think with pride (and talk) about the United States, we should stop a moment and give a thought to this little nation:

Its exact size is 15,950 sq. miles, and of this less than three quarters is productive land; in fact, only about one third is in the lowlands. 4,000 sq. miles can not be used either for farming nor forestry. The Alpine region makes up about three fifths of the country.

Yet this little nation has welded together 22 states, some of them as different in background and customs as ours, or more so, into one solid whole. We are rich in natural resources, and Switzerland is poor, yet by industry the people have brought the nation to a level of prosperity equal to ours. Their debt is less, they have no wars, and they have not though it necessary nor desirable to spend themselves, literally into bankruptcy, on some ingenious idea that this will buy friendship. Switzerland is today a stabilizing influence in world affairs.

THE STATES resemble ours, in rights and background, or perhaps they resemble what ours once were. Government is local, and is based on the theory of individual liberty in the citizen. Strictly speaking, there is no Capital, as we think of ours. Bern is the meeting place of the representatives of the states, but not in the same sense as Washington or London or Paris. Laws can go to referendum unless, within 90 days, no petition is filed. It is much like our state referendum and initiative.

Liberty, to the Swiss, involves the right and the privilege of protecting it. Every Swiss citizen is part of the citizen army, and keeps his gun and his uniform in his home. This little nation, with only four and a half million people, can put an effective army of 500,000 in the field in 24 hours, fully equipped.

It is a clean nation. I have to read the London papers here in Evian, as there are no American papers. That is curious, for almost everywhere in Europe it is possible to get Paris editions of several New York papers. I suppose Americans have not yet

"discovered" this delightful little spot, only the British.

LIKE THE BRITISH, the papers haven't changed over the years. The London Times still gives its front page to classified advertising and it takes a pretty startling event to get a two column head. Where an American paper would quote from its columns of "25 years ago" or perhaps even "50 years ago," the London papers would have a column, "100 years ago."

One "letter to the editor" called attention to this noticeable cleanliness in Switzerland. The answer was that from their earliest schooldays, the children are taught to pick up the papers, in which they may have brought their lunches, or on picnics, and this is now characteristic. Thinking of our parks and roadsides, maybe we could copy them, in that, as well as their foreign policy.

THE BRITISH PAPERS give broad coverage to many subjects, and somewhat differently than our papers. I also pick up a few items about the United States, which I did not see at home. Maybe I missed this one, but I admit it startled me. I wonder how long the proverbial tolerance of the American taxpayer will withstand the strain. My subcommittee, in the recent session, provided a large sum of money to investigate the employment of U. S. citizens by the United Nations, who are suspected of being subversives. Some had refused to answer questions about their earlier (communist) affiliations. Did you know that the U. N. have just paid SEVEN of these suspected reds a total of \$135,000 to permit the U. N. to fire them? Four others were reinstated by the secretary of the U. N. There are still some cases under discussion. Just when did employment by the U. N. become sort of a right, so that the U. N. had to pay an average of over \$19,000 each (60% of our money) just to get rid of them, from a position as sensitive to day in international affairs as the United Nations staff? I can't help wondering how much Russia would have paid them, to fire them from some equally sensitive job. In the USSR, perhaps I should have asked, how much would Russia have paid their heirs

Pay as You Go Plan New Program for Duck Hunters

During California's upcoming waterfowl hunting seasons, October 16 to November 18, and December 8 to January 10, duck hunters will have their pick of 13 public shooting grounds operated by the Department of Fish and Game throughout the State.

From northern Lassen County to Imperial County, more than 30,000 acres of the choicest waterfowl hunting terrain will be opened on a first-come, first-served basis. As many as 2,500 hunters may be accommodated on the areas at one time.

In an effort to place the State's waterfowl management areas on a pay-as-you-go basis, the California Fish and Game Commission earlier this year authorized a general charge of \$2 per hunter per day for use of the shooting grounds. All were open without charge in past years, except for a \$5 blind use fee.

A charge of \$5 per hunter will be in effect at the Imperial waterfowl management area for use of locations with a blind. Hunters under the age of 16, accompanied by an adult, will pay \$2.50 for the use of a blind.

The Imperial Waterfowl Refuge will remain open every day of the legal hunting seasons, except for Christmas and New Year's days.

California hunters with a valid waterfowl hunting stamp and hunting license may apply at the area checking stations for a hunting permit on the day of the hunt. Registrations are on a first-come, first-served basis.

Sportsmen planning to hunt on the Imperial management area may also apply the day preceding the shoot at the Los Angeles or San Diego offices of the Department of Fish and Game or area headquarters.

Thunderbird is Set for Season

Thunderbird Country Club has opened its 1953-54 golfing season, with the course in perfect condition, General Manager Frank Bogert reported today.

The cocktail lounge is open, with the dining room grand opening set for October 15.

First tournament scheduled this year will be the Automobile Dealers of Southern California October 20 through 25, with golfers using both Thunderbird and Tamarisk Country Clubs.

Indians to Meet Commissioner

Representatives of the Agua Caliente Band of Mission Indians are expected to attend a meeting of Southern California Indians at San Diego Wednesday, October 14, called by Commissioner of Indian Affairs Glenn L. Emmons.

Emmons is currently on a tour of the Western states, his first such visit since his appointment as commissioner by President Dwight D. Eisenhower.

The meeting, starting at 1 p. m., will be held in the Puppet Theatre building, Balboa Park.

Pageant

Contract Let for Indio Fair Dances

County supervisors contracted Monday with Joyce Riener Hoeffler to stage the dances for the Arabian Nights pageant at the County Fair and National Date Festival in Indio in February of 1954.

Mrs. Hoeffler, a noted professional, has had the contract for all pageants in recent years, and her fee of \$1,000 is what it was in past years.

She will "arrange proper dances, train and direct dances . . . and participate in the pageant as a feature dancer."

Jaycees to Meet at Press Club

Palm Springs Junior Chamber of Commerce members will meet tonight at the press room of El Mirador hotel at 8:15. Much important business is slated to come before this session and all members are urged to attend.

DHS Chamber Studies Signs

Action to provide better highway marking for safety and identification of routes leading into Desert Hot Springs was undertaken by the board of directors of the chamber of commerce of that resort in its monthly meeting late last week.

A committee led by Joe Merck will investigate the needs and recommendations of the resort operators and close cooperation will be sought with the Automobile club and the highway department to secure adequate signs and necessary road markings.

Three Improvement Projects Accepted

Petitions for paving Calle Roca and Calle China using curbs and gutters, and Patencio road from Baristo to Arenas, under the new street rules were accepted by Council Tuesday evening, under the Assessment Act of 1911.

Public hearings have been set for November 3.

Sunday School Drive Nearing Its Goal of 500

Dr. James H. Blackstone Jr., pastor of Palm Springs Community church will speak Sunday morning at the 11 o'clock service on "The Captain of the Universe."

Dr. Blackstone reported that the Rally Day program now under way in the Sunday school is making rapid progress and that the drive is nearing its goal of 500 enrollment. The campaign will end October 18.

Youth meetings will be held at 6:15 p. m. with Dr. Blackstone conducting the Junior Christian Endeavor at the church and the Rev. Dean Yallan, assistant pastor, will conduct the Senior Christian Endeavor meeting at the church.

A sound motion picture, "Formosa, Key to Conquest" will be shown at the 7:30 evening meeting under auspices of the Orient Crusade. It deals with the future of 600 million people behind the Iron Curtain in Asia.

Need Permit for Guns on Reservation

Villagers and visitors may now transport firearms across Indian land, subject to permission of Indian Agent Ned Mitchell and payment of entry fee, but the ban on hunting and fishing en route remains in effect.

This action was taken by the Agua Caliente Tribal Council at its last meeting.

Edgar Guest Writes Poem for Police Chiefs of Nation

Special Music at St. Paul's Sunday

Services for Sunday, October 11 at St. Paul's in the Desert are as follows: 8:00 a. m., Holy Communion; 9:30 a. m., Family Service and Church School; 11 a. m., morning prayer and sermon. The Rev. William A. Blanton's adult instruction class, which meets in his study at 10 a. m., is growing; and the subject, "The Life of Christ," is proving to be of great interest to those who attend. This coming Sunday the early part of Jesus' ministry will be studied. Adults coming to the class are invited to attend the worship service at 9:30 if they wish.

At the 11 o'clock service the choir will sing the Kotschmar "Te Deum," and Beethoven's anthem, "The Glory of God in Nature."

Rosin to Head Building Study

Chamber of Commerce directors, in accord with its planning of new offices and a visitors' center, Thursday appointed a building fund executive committee.

Stanley Rosin, former Chamber president, was named chairman. Other members are: O. A. Torgerson, Adrian Rosen, Harry Paisley and Jim Hadlock.

Young Peoples' Activity Booms at Cathedral City

Activities of various groups of young people are making themselves evident in Cathedral City Community church this Fall. On Sunday the seventh and eighth graders were given a buffet supper at the ne Manse by Dr. and Mrs. Graham Hunter, following a youth choir rehearsal at the church.

This choir program will be a regular event each Sunday at 5 p. m. with refreshments and a worship period to follow. The immediate need is for volunteer leaders, workers and teachers, who can find a personal satisfaction in helping these young people. Dr. Hunter

The Bible School is continuing this year with the "Faith and Life Movement" curriculum which has proven so helpful and successful in past use. A public display of the various age-group text books will be made at the church on October 11.

Regular services for Sunday will begin with Bible school at 9:45, followed by Dr. Hunter with the worship service at 11. On Wednesday the church will hold a covered-dish dinner at 6 p. m. to be followed by discussions of "Summer Experiences." On Sunday, October 18 the 11 a. m. services will feature a sermon on "Discovering and Developing the Resources of a Small Community," with Paul Clark, president of the Cathedral City Chamber of Commerce, as one of the speakers.

Dr. Broadbent to Address County Red Cross Rally

Dr. Thomas L. Broadbent, dean of students, for the University of California's new College of Letters and Science in Riverside, will be the speaker at the annual meeting of the Riverside County Chapter, American Red Cross, on October 19, 6:30 p. m. at the United States Naval Hospital, Corona. Dr. Broadbent will speak on the importance of the volunteer worker in the community. A graduate of Brigham Young university, the dean earned his master's degree there and his Ph. D. at the University of Michigan. He taught modern languages at Brigham Young and served as director of the Extension division and coordinator of student activities.

PARACHUTE FOUND

Tower of Babel in Modern Times Topic Tomorrow

"The Story of the Tower of Babel in a Modern Setting" will be the sermon topic of Rabbi Arthur B. Lebowitz at the Sabbath services tomorrow evening at 8:15 o'clock at Temple Isaiah.

At the Saturday morning services at 10 o'clock the traditional ceremony of Bar Mitzvah for Joel Friedman has been scheduled.

Regular classes for the Religious school will be resumed on Sunday morning at 10 o'clock. Rabbi Lebowitz and Mrs. Al Lehrfield represented the Religious school at the regional meeting of the American Association for Jewish Education Teachers seminar held in San Bernardino last Sunday. The next seminar will meet in Palm Springs in January.

Lesson Sermon Says Sin, Disease, Death, Godless

Is mankind the helpless victim of sin, disease, and death? Are they of God? Can these evils be scientifically overcome? These challenging questions are thoroughly discussed in the Sunday Lesson-Sermon in all Churches of Christ, Scientist. The subject is "Are Sin, Disease, and Death Real?" The Golden Text from Psalms (67:1, 2) reads, "God be merciful unto us and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations."

In a Lesson-Sermon citation the Psalmist says, "Hearken unto the voice of my cry, my King, and my God: for unto thee will I pray. . . . For thou art not a God that hath pleasure in wickedness: neither shall evil dwell with thee" (Ps. 5:2, 4).

"There is neither a present nor an eternal copartnership between error and Truth, between flesh and Spirit," writes Mary Baker Eddy in "Science and Health with Key to the Scriptures." She continues, "God as incapable of producing sin, sickness, and death as He is of experiencing these errors. How then is it possible for Him to create man subject to this triad of errors—man who is made in the divine likeness?" (p. 356).

Indian Office Hours to Remain Unchanged

Present hours of the local Indian office will remain in effect throughout the Winter season, to serve the public, Agent Ned Mitchell announced today. The hours are 8 a. m. to 4:30 p. m., including the noon hour.

Establish 15 Chamber Branches

Fifteen brochure boxes containing information most requested by visitors to Palm Springs will be placed at representative business establishments around the city in the near future. Chamber of Commerce Manager William Dunkerley announced today. If these 15 "branch Chambers of Commerce" prove successful, more will be located throughout the Village, Dunkerley said. The boxes will contain the Chamber of Commerce map, Fact Folder of Palm Springs, Where to Shop in Palm Springs, and Where to Stay in Palm Springs—all prepared by Chamber personnel.

BUY BIG for as little as

\$2525⁸⁸*

*Local delivered price of the **New 1953 Buick SPECIAL** 2-Door, 6-Passenger Sedan Model 48D (illustrated)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining counties due to shipping charges. All prices subject to change without notice.

WHY should you do yourself out of the big things in motoring life?

Why pass up the room and power and comfort and niceties of big-car travel — when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars?

We show our price here to prove our point — to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price three."

Figure what that means—

Just a few dollars more for a lot bigger hoodful of power — Fireball 8 power — the highest horsepower ever placed in a Buick SPECIAL.

Just a few dollars more for big and spacious 6-passenger roominess — and the solid, steady comfort of Buick's famed Million Dollar Ride.

Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.

But do you know what else those few extra dollars get you in this big, broad, beautiful Buick?

THE GREATEST **BUICK** IN 50 GREAT YEARS

They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras — which makes our quoted price even lower than it looks.

We have the facts and figures to prove our points. All we need is you, at the wheel.

Drop in on us this week and see for yourself that your new-car money really buys big — in Buick.
